

GTWN

GTWN Power Lunch

Thursday 29 June 2006
12.30pm

One Fleet Place,
London, EC4M 7WS

We would like to request your company at this invitation-only round table event, moderated by Kate Bulkley (media and telecommunications journalist). Discussion topics will include:

As digital media and digital transmission converge what are the key issues facing business and policy makers?

What form will the digital online communication market take over the next few years?

What is the GTWN? • Map • RSVP

What is the GTWN?

The purpose of the Global Telecom Women's Network is to provide a forum for executive women active in telecommunications to get together and "network"; to provide a role model to younger women managers active in telecommunications; and to contribute to the evolving global information society in a positive manner.

How to get there

Underground

Blackfriars (District and Circle Lines) is the principal station for Fleet Place and is located just a few minutes' walk away. Leave Blackfriars at Exit 1 (New Bridge Street). Follow New Bridge Street up to Ludgate Circus (away from the river). At Ludgate Circus turn right into Ludgate Hill and then first left into Limeburner Lane. As Limeburner Lane veers to the right, One Fleet Place is ahead and to the left (behind number 10 Fleet Place).

Rail

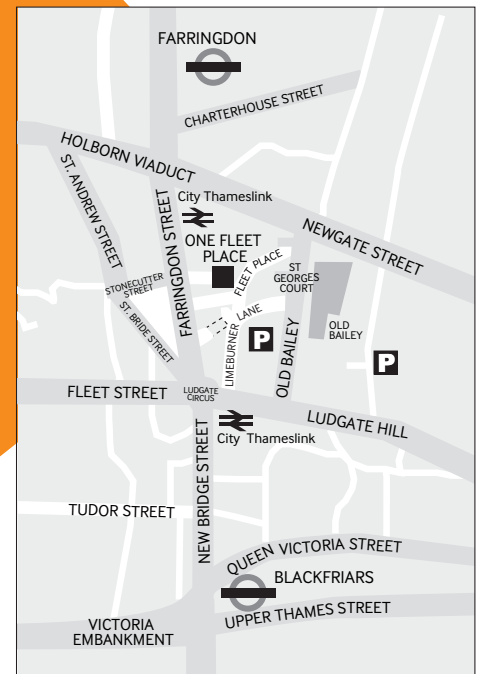

Fleet Place is located directly above City Thameslink station (Holborn Viaduct exit).

Car parks

Public parking is available nearby with an NCP car park located in Limeburner Lane.

Buses

Ludgate Hill, Holborn Viaduct and Farringdon Street.
